If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit [certification.oracle.com](http://certification.oracle.com) and select your certification path to confirm you are aware of all certification requirements.
  - Please note some Certification tracks require Oracle training and the submission of the Course Submission Form.
- Check [certview.oracle.com](http://certview.oracle.com) to confirm that all completed components (exams and training as applicable) are in your profile correctly.
  - If training is required and is not in your profile, you need to submit the Course Submission Form providing evidence that you have completed the required training.
  - If completed exams are not in your profile, you may have completed the exams under different Oracle Testing IDs.
  - Contact [www.pearsonvue.com/oracle/idmerge](http://www.pearsonvue.com/oracle/idmerge) to merge multiple IDs under one Oracle Testing ID. You will identify which Oracle Testing ID will be the surviving ID.
- Go to [pearsonvue.com/oracle](http://pearsonvue.com/oracle), select My Account, log in and select "Personal Info" to confirm that your address is correct
  - The address that is on file in Pearson VUE profile must be your CURRENT personal or business mailing address; Oracle does not ship to third party training organizations.
