If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit certification.oracle.com and select your certification path to confirm you are aware of all certification requirements.
 - Please note some Certification tracks require Oracle training and the submission of the Course Submission Form.
- Check certview.oracle.com to confirm that all completed components (exams and training as applicable) are in your profile correctly.
 - If training is required and is not in your profile, you need to submit the Course Submission Form providing evidence that you have completed the required training.
 - If completed exams are not in your profile, you may have completed the exams under different Oracle Testing IDs.
 - Contact www.pearsonvue.com/oracle/idmerge to merge multiple IDs under one Oracle Testing ID. You will identify which Oracle Testing ID will be the surviving ID.
- Go to pearsonvue.com/oracle, select My Account, log in and select "Personal Info" to confirm that your address is correct
 - The address that is on file in Pearson VUE profile must be your CURRENT personal or business mailing address; Oracle does not ship to third party training organizations.
