Examination Score Report

WELLINGTON PEREIRA

Oracle Testing ID: OC1334645

1Z0-051 Oracle Database 11g: SQL
Fundamentals I

Exam Date: 02/25/2014

Registration: 266101091

Center ID: 67882

**Your
Score:** 83%

**Passing
Score:** 60%

Result: Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Create simple and complex views
- Create, maintain, and use sequences
- Delete rows from a table
- Describe various types of conversion functions that are available in SQL
- Describe various types of functions available in SQL
- Group data by using the GROUP BY clause
- Include or exclude grouped rows by using the HAVING clause
- Insert rows into a table
- List the data types that are available for columns

If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit certification.oracle.com and select your certification path to confirm you are aware of all certification requirements.
 - Please note some Certification tracks require Oracle training and the submission of the Course Submission Form.
- Check certview.oracle.com to confirm that all completed components (exams and training as applicable) are in your profile correctly.
 - If training is required and is not in your profile, you need to submit the Course Submission Form providing evidence that you have completed the required training.
 - If completed exams are not in your profile, you may have completed the exams under different Oracle Testing IDs.
 - Contact www.pearsonvue.com/oracle/idmerge to merge multiple IDs under one Oracle Testing ID. You will identify which Oracle Testing ID will be the surviving ID.
- Go to pearsonvue.com/oracle, select My Account, log in and select "Personal Info" to confirm that your address is correct
 - The address that is on file in Pearson VUE profile must be your CURRENT personal or business mailing address; Oracle does not ship to third party training organizations.
